SUMMER SUN SAFETY TIPS!

WHAT YOU WILL NEED

- sunscreen
- hat
- water

PREPARE. Try and ensure you put sunscreen on before leaving the house. If you're attending one of our holiday camps, always apply sunscreen before arrival.

PROTECT. Along with sunscreen, always wear a hat (and sunglasses if you can) during hot summer days. SPF30 or above is recommended by our partners at the Melanoma Fund.

SHADE. Avoid direct sunlight during peak sunshine hours, especially at lunchtime. Seek shade whenever possible.

HYDRATE. Make sure you drink lots of water to keep you hydrated. When attending a Premier Education holiday camp, please bring a refillable water bottle to top up throughout the day!

LEAD BY EXAMPLE. Take pride in being a good influence and show your sun protection measures to others, encouraging them to do the same!

HOT SPOT CHALLENGE

Create your own HIIT circuit and get friends and family to join in too!

Set up three to six different stations in a suitable area (garden, living room, etc)

Assign each area with a different exercise. Examples include jumping jacks, push ups, skipping rope jumps, lifting a football off the floor and holding it above their heads and squat jumps.

Each person picks a starting hot spot.

Using an Interval Timer app, stopwatch (or assisting parent/guardian!) decide on your exercise times and rest times. 30 seconds 'on' and 10 seconds 'off' is a good starting point.

When the time starts, participants should try to do as many of each exercise they can do in the time allowed.

Move to the next hot spot in the rest period.

**To make it more difficult, you can increase the time spent doing each exercise (but make sure to increase the time between each hot spot as well).*

A FAMILY ADVENTURE

Gather the family and head on outside to explore your local area!

SCAVENGER HUNT

Where: Your local area

When: Any day you choose

Sometimes we can get so 'in the motions' of our every day lives that we stop noticing and appreciating what we have on our very own doorsteps.

You might even be surprised at how much activity is going on around you.

Taking the checklist opposite with you, hit the pavement (don't forget the sunscreen and water if it's a hot day!).

Work together as a team and see how many items you can find.

A SCRUMPTIOUS SUMMER TO SAVOUR

Have some fun with food and some fruitful flair to your next meal!

Make the most of the summer season by enjoying the bountiful fruits now on offer.

Here are just a couple of simple recipes to get your mouths watering...

Did you know?... Eating all the colours of the rainbow can help boost brain health and reduce the risk of heart disease.

RAINBOW FRUIT SKEWERS

YOU WILL NEED:

- Blueberries
- Red grapes
- Melon
- Pineapple chunks
- Strawberries
- Kiwi
- Wooden skewers

1. Wash hands and ensure work surface is clean.
2. Wash fruit and dry on paper towel.
3. Halve any large strawberries and cut the melon into chunks.
4. Peel kiwi and cut into chunks.
5. Open pineapple tin and drain or prepare fresh pineapple.
6. Thread pieces of fruit onto skewer. Be careful as the ends of the skewers may be sharp. Ask a parent or guardian to help you if you need it.

ETON MESS

YOU WILL NEED:

- Bread
- 4 cups of fresh strawberries
- 1 ½ cups of double cream
- 2 cups of ready made meringues
- Few drops of vanilla essence

1. Rinse the strawberries and remove the heads. Set aside.
2. Loosely crumble the meringues into a bowl. Set aside.
3. Pour the cream into a large bowl and add a few drops of vanilla essence. Now whisk, whisk, whisk! You are aiming to get it thick enough so that it forms soft peaks!
4. Gently combine the fruit, cream and meringue together and serve with a juicy fresh strawberry on top!

Did you know?... Strawberries are packed full of antioxidants. Why not see if there's a local strawberry picking farm near you so you can collect your own to enjoy!
